Attention: Freedom of Information Request

Gentlemen:

Under the Freedom of Information Act, we request copies of any and all photographs, documents, reports and memorandums relating to Mary Ann Moorman, a witness to the John Kennedy assassination on November 22, 1963.

This request is being made of the Washington and Dallas offices, but is not limited to those two. Nor should your search be limited to the main assassination file: all "SEE" references to Mary Ann Moorman and other names, like Mary Ann Bartoni, should be checked.

We are also seeking copies of the photographs she took that day which the Bureau copied from her originals. These copies must be slide transparencies, not prints.

Scientific reports relating to her photos, even if performed by other agencies, are included in this request.

Thank you for your help and timely response.

Sincerely,

Ed Martelle
